"Faith as small as a mustard seed can move mountains"

Dear parents and carers,

We have welcomed the summer term with our beautiful summer uniforms despite the changeable weather!

Our choir will be performing at St Augustine's later tonight to join them in celebrating their 60th anniversary as part of their production, 'The Conversion Job'. Thank you to Mr Mussell, St Augustine's and all of our volunteers for their support in preparing the choir and enabling us to perform. Parents and carers are welcome to join us this evening, please see St Augustine's for details.

Next week our Year 6s try out their places for the upcoming SATS, which are the week beginning the 13th May. As I have said to the Year 6s this week, they are more than a test. They are unique, amazing individuals who have a multitude of talents, interests and skills, and they will thrive. We support them every step of the way in their journey, and hope that they can be themselves, and reach their own personal bests as we aim for every day in life.

Next week we celebrate Spain's national day by immersing ourselves in Spanish culture on Tuesday, Classes ½ and 2 visit the Museum of Science and Industry on Wednesday, and Year 5 have the pleasure of meeting Dermot O'Leary and finding out all about his new book at Westholme on Wednesday. We are incredibly lucky to have so many opportunities at St Mary's to inspire our children to keep learning and loving life as we do everyday

Thank you
C.Boden
