*"Faith as small as a mustard seed can move mountains"*

Dear parents and carers,

We have enjoyed a wonderful Number Day today, celebrating all things Maths! Thank you to parents and carers for joining in as always to highlight how fun maths can be. It is amazing how many numbers can be found on football tops, band t-shirts and birthday tops! Patterns have been all around also, so thank you to everyone!

Next week we begin Children's Mental Health Week, which will emphasise that whilst we are learning about protecting our own and others mental health next week, we are learning skills for everyday life. The importance of kindness to ourselves and each other is huge every day, not just for 1 week. Therefore the strategies explored and messages discussed will hopefully help our children next week and beyond.

A message has been sent regarding measles. Please be vigilant and follow the guidelines. If you are unsure about vaccination for your children i.e. if they have had their MMR vaccinations, please check and book in with your local medical practice.

Parents Evening has been booked in online for Thursday the 29th February. Please make sure you book a place online.

Thank you and God bless,  
C.Boden
